Mapped, edited, and published by the Geological Survey

Control by USGS, NOS/NOAA, and Florida Department of Transportation

Topography by photogrammetric methods from aerial photographs taken February 1974. Field checked 1974. Map edited 1978

Projection: Florida coordinate system, north zone (Lambert conformal conic)
10,000-foot grid ticks based on Florida coordinate system, north zone, and Alabama coordinate system, west zone
1000-meter Universal Transverse Mercator grid, zone 16
1927 North American datum

Fine red dashed lines indicate selected fence and field lines where generally visible on aerial photographs. This information is unchecked
