Mapped, edited, and published by the Geological Survey

Control by USGS and NOS/NOAA

Topography by photogrammetric methods from aerial photographs taken 1965. Field checked 1967

Polyconic projection
10,000-foot grid based on Alabama coordinate system, east zone
1000-meter Universal Transverse Mercator grid ticks, zone 16, shown in blue. 1927 North American Datum

To place on the predicted North American Datum 1983 move the projection lines 10 meters south and 5 meters west as shown by dashed corner ticks

There may be private inholdings within the boundaries of the National or State reservations shown on this map
