Mapped, edited, and published by the Geological Survey

Control by USGS, NOS/NOAA, and USED

Topography by photogrammetric methods from aerial photographs taken 1946. Field checked 1949

Polyconic projection. 10,000-foot grid ticks based on Alabama coordinate system, west zone. 1000-meter Universal Transverse Mercator grid ticks, zone 16, shown in blue

1927 North American Datum. To place on the predicted North American Datum 1983 move the projection lines 9 meters south as shown by dashed corner ticks

There may be private inholdings within the boundaries of the National or State reservations shown on this map

Revisions shown in purple compiled from aerial photographs taken 1979 and other source data. This information not field checked. Map edited 1981
