Mapped, edited, and published by the Geological Survey

Control by USGS and NOS/NOAA

Topography by photogrammetric methods from aerial photographs taken 1972. Field checked 1974

Contours in Alabama portion compiled from USCE maps dated 1971

Projection: Alabama coordinate system, west zone (transverse Mercator)
10,000-foot grid ticks based on Alabama coordinate system, west zone and Mississippi coordinate system, east zone
1000-metre Universal Transverse Mercator grid ticks, zone 16, shown in blue. 1927 North American datum
To place on the predicted North American Datum 1983 move the projection lines 11 meters south and 3 meters east as shown by dashed corner ticks
