INTERIOR—GEOLOGICAL SURVEY, RESTON, VIRGINIA—1990

Mapped, edited, and published by the Geological Survey

Control by USGS, NOS/NOAA, and Alabama Geodetic Survey

Topography by photogrammetric methods from aerial photographs taken February 1974. Field checked 1975. Map edited 1978

Projection: Florida coordinate system, north zone (Lambert conformal conic)
10,000-foot grid ticks based on Florida coordinate system north zone, and Alabama coordinate system, west zone
1000-meter Universal Transverse Mercator grid, zone 16
1927 North American datum

To place on the predicted North American Datum 1983 move the projection lines 16 meters south and 1 meter west as shown by dashed corner ticks

Fine red dashed lines indicate selected fence and field lines where generally visible on aerial photographs. This information is unchecked

GN MN 0°17' 5 MILS 1° 18 MILS
UTM GRID AND 1984 MAGNETIC NORTH DECLINATION AT CENTER OF SHEET

Revisions shown in purple and woodland compiled from aerial photographs taken 1981 and other sources
This information not field checked. Map edited 1984
