ADJOINING 7.5′ QUADRANGLE NAMES

Produced by the United States Geological Survey

Topography compiled 1974. Planimetry derived from imagery taken 1985 and other sources. Photoinspected using imagery dated 1994; no major culture or drainage changes observed. PLSS and survey control current as of 1975. Boundaries verified 1998

North American Datum of 1927 (NAD 27)
Projection: Alabama coordinate system, west zone (Lambert conformal conic)
10 000-foot ticks: Alabama coordinate system, west zone and Florida coordinate system, north zone
1000-meter Universal Transverse Mercator grid, zone 16

North American Datum of 1983 (NAD 83) is shown by dashed corner ticks. The values of the shift between NAD 27 and NAD 83 for 7.5-minute intersections are obtainable from National Geodetic Survey NADCON software

Information shown in purple may not meet USGS content standards and may conflict with previously mapped contours

THIS MAP COMPLIES WITH NATIONAL MAP ACCURACY STANDARDS
