Mapped by the Defense Mapping Agency
Edited and published by the Geological Survey

Control by USGS, NOS/NOAA and USCE

Topography by photogrammetric methods from aerial photographs taken 1952, field annotated 1954. Map not field checked

Projection and 1000-meter grid ticks shown in blue: Universal Transverse Mercator, zone 3
10,000-foot grid ticks based on Alaska coordinate system, zone 7. 1927 North American Datum
To place on the predicted North American Datum 1983 move the projection lines 89 meters north and 126 meters east

Land lines represent unsurveyed and unmarked locations predetermined by the Bureau of Land Management Folio S-9, Seward Meridian

Swamps, as portrayed, indicate only the wetter areas, usually of low relief, as interpreted from aerial photographs

There may be private inholdings within the boundaries of the National or State reservations shown on this map
