Mapped, edited, and published by the Geological Survey

Control by USGS and NOS/NOAA

Topography by photogrammetric methods from aerial photographs taken 1955, field annotated 1956. Map not field checked

Projection and 10,000-foot grid ticks: Alaska coordinate system, zone 3 (transverse Mercator)
1000-meter Universal Transverse Mercator grid ticks, zone 6, shown in blue. 1927 North American Datum
The difference between 1927 North American Datum and North American Datum of 1983 (NAD 83) for 7.5 minute intersections is given in USGS Bulletin 1875

Land lines represent unsurveyed and unmarked locations predetermined by the Bureau of Land Management
Folios F-2 and F-3, Fairbanks Meridian

Swamps, as portrayed, indicate only wetter areas, usually of low relief, as interpreted from aerial photographs

Federal reservation boundaries established by the Alaska National Interest Lands Conservation Act, PL96-487, Dec. 2, 1980, are shown as compiled by the administering agencies

There may be private inholdings within the boundaries of the National or State reservations shown on this map
