Mapped, edited, and published by the Geological Survey

Control by USGS and NOS/NOAA

Topography by photogrammetric methods from aerial photographs taken 1970, field annotated 1970. Map not field checked

Projection and 1000-meter grid ticks shown in blue:
Universal Transverse Mercator, zone 6
10,000-foot grid ticks based on Alaska coordinate system, zone 4. 1927 North American datum
To place on the predicted North American Datum 1983 move the projection lines 50 meters north 118 meters east

Gray land lines represent unsurveyed and unmarked locations predetermined by the Bureau of Land Management
Folio F-3, Fairbanks Meridian

Swamps, as portrayed, indicate only the wetter areas, usually of low relief, as interpreted from aerial photographs
