Mapped, edited, and published by the Geological Survey

Control by USGS and NOS/NOAA

Topography by photogrammetric methods from aerial photographs taken 1948, field annotated 1950. Map not field checked

Selected hydrographic data compiled from NOS/NOAA Charts 17318 (1980), 16016 (1981), 17300 (1984), and from surveys H-6457 and H-6575
This information is not intended for navigational purposes

Projection and 1000-meter grid ticks shown in blue: Universal Transverse Mercator, zone 8
10,000-foot grid ticks based on Alaska coordinate system, zone 1. 1927 North American Datum
To place on the predicted North American Datum 1983 move the projection lines 38 meters north and 105 meters east

Land lines represent unsurveyed and unmarked locations predetermined by the Bureau of Land Management Folios CR-11 and CR-12, Copper River Meridian

Federal reservation boundaries established by The Alaska National Interest Lands Conservation Act, PL 96-487, Dec. 2, 1980, are shown as compiled by the administering agencies

There may be private inholdings within the boundaries of
