Mapped by the Army Map Service
Published for civil use by the Geological Survey

Control by USC&GS

Topography from aerial photographs by photogrammetric methods
Aerial photographs taken 1950 and 1952. Map not field checked

Projection and 1000-meter grids ticks
Universal Transverse Mercator, zone 3
20,000-foot grids ticks based on Alaska coordinate system, zone 8. 1927 North American datum
To place on the predicted North American Datum 1983 move the projection lines 97 meters north and 130 meters east

Land lines represent unsurveyed and unmarked locations predetermined by the Bureau of Land Management
Folios S-8 and S-20, Seward Meridian

Swamps, as portrayed, indicate only the wetter areas usually of low relief, as interpreted from aerial photographs

There may be private inholdings within the boundaries of the National or State reservations shown on this map
